

Contained. Clean. Convenient.

Introducing the Convenience Bag®, a smart and affordable solution to contain leaks, spills, and odors. Featuring an inner valve that automatically seals shut, the Convenience Bag is designed to help manage unwanted messes.

Convenience Bag®

Features and Benefits

Smart Design — Wide, rigid opening collar for added ease and convenience.

Hand Protection — Optional plastic outer sleeve protects the hands from splashes.

Leakproof — Inner valve automatically seals shut to help prevent contents from leaking or spilling.

Easy Disposal — No strings or ties to worry about; disposal is quick and efficient.
