

Blaenos House

CARTREF NYRSIO
NURSING HOME

A warm welcome

Just minutes from the centre of Llandoverly and surrounded by the rolling Welsh countryside, Blaenos House Nursing Home offers a peaceful and welcoming place to call home. Set within a former Carmelite convent, the building retains its historic charm while offering the modern comforts that help residents feel settled, relaxed and at ease.

Our location provides the best of both worlds: close to local amenities for visiting family and friends, yet quiet enough to enjoy the calm of our gardens and rural views. The home's character, gentle atmosphere and familiar surroundings create a steady environment where residents can feel comfortable from the moment they arrive.

As part of Ashberry Care Homes, we are proud to belong to a respected family of homes with extensive experience built on loyalty, integrity and compassion. We believe that feeling at home comes from genuine relationships, consistency and a strong sense of belonging.

Many of our team members speak fluent Welsh, helping residents feel understood and connected to the community around them. Daily life at Blaenos House is shaped around simple, meaningful moments- time outdoors, shared meals, friendly conversation and familiar routines.

Safe and supportive care

At Blaenos House Nursing Home we understand that choosing a care home is a deeply personal decision. That's why we take time to listen, understand, and tailor every aspect of care to meet individual needs.

We provide **nursing, dementia, palliative, residential and respite care**, ensuring that we can support you or your loved one whatever the circumstances.

Every member of our close-knit team is trained, experienced, and dedicated to providing exceptional care and companionship. We are proud of our family spirit- one built on kindness, empathy, and respect.

From day one, we take time to really get to know each resident- their life story, preferences, routines, and what brings them joy. This forms the foundation of their individual care plan, which is securely recorded on our electronic care system, available 24/7 for complete peace of mind.

We believe that true care is about connection- understanding each person as an individual and making every day meaningful.

"Blaenos House has a wonderful, caring team, attentive, professional and all present themselves with brilliant communication. There is a lovely welcome when visiting my husband daily, all staff strive in their working environment to provide unstinting nursing care. There is strong leadership to provide the quality of nursing care, amazing events...All staff should be congratulated on their service; they operate to their brilliant best."

Wellbeing and Meaningful Activities

At Blaenos House we believe that wellbeing is at the heart of good care. Our dedicated Wellbeing Coordinators are passionate about creating opportunities for residents to live life to the fullest- supporting physical, emotional, and social wellbeing every single day.

Wellbeing at Ashberry is more than just activities. It's about building genuine connections, sparking joy and making every moment count. Our team takes time to understand each person's hobbies, interests, and life experiences, ensuring that activities are meaningful and personally fulfilling.

From creative arts and music therapy to gentle exercise, reminiscence sessions, gardening, and community trips- there's something for everyone to enjoy.

We also love to make dreams come true through our Wishing Tree Initiative, where residents share personal wishes or treasured memories that we help bring to life- from meeting a favourite animal to revisiting a special place.

At Blaenos House Nursing Home, every day is an opportunity to make new memories together.

"Every time I visit, I am always impressed with the number of staff in the day room.

The activities that are provided are brilliant, singers, jive, quiz and cooking that gets the residents involved. Very good for those with dementia. All the staff we meet are friendly and welcoming."

Wholesome dining

Good food brings people together- and at Blaenos House Nursing Home, dining is a cherished part of daily life. Our talented kitchen team prepares fresh, seasonal meals using high-quality, locally sourced produce wherever possible. Every dish is home-cooked and tailored to individual tastes and dietary needs.

Menus change with the seasons, offering a delicious variety of comforting favourites and nutritious options that residents look forward to. Snacks, hot drinks, and refreshments are available throughout the day and residents are always welcome to request their favourite meals or a little treat.

Mealtimes are relaxed and sociable, often accompanied by laughter and conversation- whether dining in our elegant dining room or enjoying a peaceful breakfast with a view of the gardens.

At Blaenos House every meal is made with care - nourishing both body and soul.

We'd Love to Welcome You

The best way to experience Blaenos House is to come and see it for yourself. We welcome visitors at any time- simply get in touch to arrange a tour, meet our team, and experience the warmth of our home first-hand.

We also host regular events and community gatherings, which are open to everyone. Keep up to date by following us on Facebook and our other social media channels, where we share stories, celebrations, and daily life at Blaenos House.

"From the day Dad arrived he has been treated with so much care and kindness. Everyone has been very supportive to us as well. The manager was there to greet us on that first day and was so warm and able to answer any questions we had and put our minds at rest. The carers are wonderful and very hard-working and always greet you with a warm smile and friendly chat. The food looks lovely and home-cooked too."
