

A warm welcome

Nestled in the leafy residential area of Penketh, Warrington, Meadowview Care Home is a warm and welcoming place to call home. We provide compassionate residential dementia care for up to 41 residents, offering both short and long-term support in a safe, comforting, and family-like environment.

Our single-storey home is thoughtfully designed with accessibility and comfort in mind. Surrounded by secure, well-maintained gardens and peaceful patio areas, Meadowview enjoys a beautiful outlook over the meadow- often graced by horses grazing nearby.

Originally part of a local school site, our home retains a strong and heartwarming connection with the neighbouring primary school. The sound of children playing drifts across the garden, bringing joy and life to our home every day. We are proud to host intergenerational activities and events that bring together residents and pupils, creating moments of laughter, learning, and shared joy across generations.

As part of Ashberry Care Homes, we are proud to belong to a respected family of homes with extensive experience built on loyalty, integrity and compassion. We believe that feeling at home comes from genuine relationships, consistency and a strong sense of belonging.

-  On-site residents garden bar

Safe and supportive care

At Meadowview, we understand that choosing a care home is a deeply personal decision. That's why we take time to listen, understand, and tailor every aspect of care to meet individual needs.

We provide **residential, dementia, respite and day care**, ensuring that we can support you or your loved one whatever the circumstances.

Every member of our close-knit team is trained, experienced, and dedicated to providing exceptional care and companionship. We are proud of our family spirit- one built on kindness, empathy, and respect.

From day one, we take time to really get to know each resident- their life story, preferences, routines, and what brings them joy. This forms the foundation of their individual care plan, which is securely recorded on our electronic care system, available 24/7 for complete peace of mind.

We believe that true care is about connection- understanding each person as an individual and making every day meaningful.

"My brother is very happy and contented, his care by all staff is excellent. He goes on outings and is always pleased to go. As a family member, we are always welcomed by the staff. The family feel reassured that my brother is well cared for. Thank you.."

Wellbeing and Meaningful Activities

At Meadowview, we believe that wellbeing is at the heart of good care. Our dedicated Wellbeing Coordinators are passionate about creating opportunities for residents to live life to the fullest- supporting physical, emotional, and social wellbeing every single day.

Wellbeing at Ashberry is more than just activities. It's about building genuine connections, sparking joy, and making every moment count. Our team takes time to understand each person's hobbies, interests, and life experiences, ensuring that activities are meaningful and personally fulfilling.

From creative arts and music therapy to gentle exercise, reminiscence sessions, gardening, and community trips- there's something for everyone to enjoy.

We also love to make dreams come true through our Wishing Tree Initiative, where residents share personal wishes or treasured memories that we help bring to life- from meeting a favourite animal to revisiting a special place.

At Meadowview, every day is an opportunity to make new memories together.

"The staff are phenomenal and always present when you visit. They know each resident extremely well and take care of them like family. The entertainment and activities that are organised on a daily basis are amazing and I look forward to seeing all the updates on everything they have been doing."

Wholesome dining

Good food brings people together- and at Meadowview, dining is a cherished part of daily life. Our talented kitchen team prepares fresh, seasonal meals using high-quality, locally sourced produce wherever possible. Every dish is home-cooked, beautifully presented, and tailored to individual tastes and dietary needs.

Menus change with the seasons, offering a delicious variety of comforting favourites and nutritious options that residents look forward to. Snacks, hot drinks, and refreshments are available throughout the day, and residents are always welcome to request their favourite meals or a little treat.

Mealtimes are relaxed and sociable, often accompanied by laughter and conversation- whether dining in our elegant dining room or enjoying a peaceful breakfast with a view of the gardens.

At Meadowview, every meal is made with care- nourishing both body and soul.

We'd Love to Welcome You

The best way to experience Meadowview is to come and see it for yourself. We welcome visitors at any time- simply get in touch to arrange a tour, meet our team, and experience the warmth of our home first-hand.

We also host regular events and community gatherings, which are open to everyone. Keep up to date by following us on Facebook and our other social media channels, where we share stories, celebrations, and daily life at Meadowview.

"The staff are all wonderful. The care and attention they give truly makes me so thankful every day knowing my mum is being loved and looked after. My mum is happy and settled."
