A CHOICE OF WALKS

We have some lovely walks in the local area and this guide includes four of our favourite loops from Headlam Hall. The map opposite shows all of the walks but the following pages show the detailed directions for each of them. Please be aware that all of these walks include footpaths across fields which do get a bit muddy so appropriate footwear is required. We have a hosepipe at the far end of the hotel drive if you need to clean down boots or dogs afterwards.

SHORT STROLLS

If you are just looking to stretch the legs and enjoy some fresh air then a walk around the beautiful four acre walled garden of Headlam Hall is perfect. If you would like a slightly longer stroll of about ½ mile:

- At the end of the hotel drive go straight ahead across the middle of the village green.
- Take the footpath to the right of Mason's Cottage (in front of their garage).
- The path crosses a field and joins the narrow back lane at which point you turn right.
- At the end of the lane turn right again to arrive back in Headlam.

- After about 200m, just after the bridge, there is a footpath/stile on the right which takes you back to Headlam.

ROUTE 2

HOLLIN HALL

Approx. 3.5 miles

- At the end of the hotel drive go straight ahead across the middle of the village green and take the footpath to the right of Mason's Cottage (in front of their garage).
- The path crosses a field and joins the narrow back lane, turn left and follow the lane to the T junction to the main road.
- At the T junction go straight ahead onto the grass lane and follow this until it arrives back at a road.
- At this point go left through a gate following the public footpath. The path will cross three fields before arriving at Hollin Hall Farm.
- Pass by the side of the white cottage, before going through a gate on your left (before the farmhouse).
- Follow the path across a field before reaching a stile leading onto the main road and turn right.
- Follow the road for about 100m and as the road bends to the left you will see a footpath/stile on your left, take the stile over the wall (not the path/track straight ahead).
- Follow the footpath through three fields and when it arrives at the road turn right.
- Follow the road keeping left when the road forks and returning into Headlam.

ROUTE 3

GAINFORD

Approx. 5 miles

- At the end of the hotel drive turn left on to the road, follow this out of the village up the hill.
- Turn left at the junction.
- Follow the road for another $\frac{3}{4}$ mile until just after a left hand bend you will see a public footpath on your right (at the driveway to Burn House).
- Turn into the driveway but then take an immediate right before the white gate. Follow this around the two sides of the grass field.
- When you reach the bottom and the path turns to the right, take your immediate left over a small bridge.
- Follow the path and it comes out on a driveway.
- Turn left and follow the drive down to the end. At the end of the drive follow the residential road straight ahead to reach the main road in Gainford.
- Cross the main road and turn right (behind the raised grass island) and follow this road down to the village green.
- In the corner of the green is St Mary's church which is the access point to the riverside loop walk if you wish to do this.
- To return, leave the village green near the stone war monument and head up the road passing the Cross Keys pub on your left.
- Go straight ahead at the crossroads walking up North Terrace, continuing out of Gainford on the road up the hill.
- At the top where the road bends left there is a stile over a wall on the right side of the road leading on to a footpath across a field.
- Follow the footpath through three fields and when it arrives at the road turn right. Follow the road keeping left when the road forks and returning into Headlam.

- Turn right on this road and follow for about 1 ½ miles until you get to a left hand turning where there is a dairy farm.
- Follow this road for about 1 mile, ignore the first footpath on your left and take the next footpath on your left through a metal gate.
- Follow the track and then after a set of double metal gates turn left following the path downhill, through a few fields before arriving at the road in the village of Ingleton.
- Cross the road, turn right and follow the road until you reach the footpath on the left which goes past the Village Hall before coming out on the playing fields.
- Cross straight over the playing field to the right corner where there is a children's play area and follow the footpath that leads down the side of a field with a hedge to your right.
- You will then meet the driveway for Pinder Farm where you turn left and follow the drive until it meets the main road.
- Turn right onto the main road for about 80m before crossing the road to the entrance of Middleton Farm driveway where there is a footpath that leads to the right.
- The path goes diagonally across the grass field before bearing left following the hedge-line of the field leading to a stile into another field.

- Follow the path through this field and into the next field where the path heads diagonally to the right until it meets the lane.
- Turn right on this lane and after about 100m take the stile on your left that leads onto a footpath across a grass field (between two fences) which brings you back to Headlam village green.
