## The Alternative Minimum Tax (AMT)

The AMT generally applies to high income taxpayers with low taxes payable. If AMT might affect your finances, speak with your advisors today. With planning, AMT paid may be recovered in future years.

## How the future of cancer care can be your gift today

### Donating publicly listed securities is easy:

1. Our correct legal name must be used in all documents to avoid confusion:  
**Legal Name:** BC Cancer Foundation  
**Registration Number:** 11881 8434 RR0001
2. Complete the **Securities Transfer Form** and ask your broker to initiate the transfer. If you do not have a broker, please send the completed form directly to your institution.
3. Send a copy of the completed form to our broker, National Bank of Canada, at linda.leung@nbc.ca and to us at securities@bccancer.bc.ca
4. BC Cancer Foundation staff will work with you and your advisors to ensure their wishes are carried out. The Foundation will issue a tax receipt (within 7 days of receipt for shares or a few weeks in the case of mutual funds) for the average of the high and low trading prices of the securities on the date they are received in our account..

## Here is an example of how it works

Mr. Morrow bought publicly listed securities for \$20,000. They now have a fair market value of \$100,000. Mr. Morrow saves \$21,400 by donating shares directly to a charity rather than selling them and donating the proceeds. And he contributed \$100,000 to the BC Cancer Foundation.

\* The example is for illustrative purposes only. It is based on a combined federal & BC provincial tax rate of 53.5%.

	SELL SHARES & DONATE CASH	DONATE SHARES DIRECTLY
<b>Fair Market Value</b>	<b>100,000</b>	<b>100,000</b>
Adjusted cost base	(\$20,000)	(\$20,000)
Capital gain	\$80,000	\$80,000
CG Income inclusion	(\$40,000)	--
Charitable Tax Receipt	\$100,000	\$100,000
<b>Net receipt</b>	<b>\$60,000</b>	<b>\$100,000</b>
Tax Savings at 53.5%*	\$32,100	\$53,500
<b>Increased tax savings from donating securities</b>		<b>\$21,400</b>

The above information is general in nature and is not intended as legal or tax advice. We can help you support cancer research and care in British Columbia by working with you and your financial and legal professional advisors.
