Senior Videographer specialising in corporate communications within the UK's defence, nuclear, and infrastructure sectors. I deliver high-stakes content for industry leaders including executive interviews and live global broadcasts, with turnarounds as tight as 24-48 hours whilst maintaining the discretion required when working with senior executives and government stakeholders.

** Tailored content available upon request*

EXPERIENCE

Senior Videographer

November 2023 - Present

MARICK PARTNERS LTD.

Leading corporate communications for critical UK infrastructure sectors. Responsible for executive interviews, live global broadcasts, and sensitive organisational communications. Direct collaboration with C-suite executives including CEO town halls with Rolls-Royce CEO Tufan Erginbilgic, international delegates, and government stakeholders across defence, nuclear, and energy sectors.

Strategic Clients: Rolls-Royce (Defence, Civil Aerospace, SMRs, Energy) • Nuclear Decommissioning Authority • Nuclear Transport Solutions • Cavendish Nuclear • Babcock • Morgan Sindall Infrastructure • Westinghouse • Women in Nuclear UK & Global • SIAS Cumbria

Cameraman & Editor

December 2021 - September 2023

MOCHA FILM & TV

Collaborated on corporate video projects including content for University of Liverpool, Mindclass, NHS and BAE Systems. Managed complete production workflow from setup and operation through to post-production delivery.

Digital Arts Director

May 2019 - August 2019

GATEWAY REGION YMCA

Responsible for outputting key marketing material for YMCA Camp Lakewood and 'The Y'. Managed high-volume content production: 3,000 pictures and 4 videos per week.
