The cover under Sections 1 and 10 – Cancellation

Cancellation cover applies as soon as the premium has been paid or from commencement date and **we** have issued **you** the **schedule of cover**. **We** cannot therefore, refund **your** premium in full after this date, except if requested during **your** Cooling-Off Period as detailed below. For Annual Multi-trip insurance, the cover under Sections 1 and 10 starts at the time **you** book the trip or the start date shown on the **schedule of cover**, whichever is later.

The cover under remaining Sections

Cover under all other sections applies for the duration of the booked trip including the period of travel from home directly to the departure point and back home directly afterwards not exceeding 24 hours in each case. This period is extended to 72 hours if **you** have paid the appropriate additional Commercial Cruise premium and it is shown on **your** schedule of cover. If **you** come home earlier than planned then cover ends on return to **Australia**. If the return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of that delay.

Cancelling this Policy

Our right to cancel

We may cancel any cover under this policy by giving **you** 14 days notice by recorded delivery letter to **you** at **your** last known address. In this event, **we** will refund the premium in full if it is a Single Trip policy. For Annual Multi-trip policies **we** will calculate the premium for the period up to the date when the cancellation takes effect and **we** will refund the premium paid for the remaining period of insurance. However, if **we** cancel the policy due to dishonesty or fraudulence, no refund of premium will apply.

Your right to cancel 'Cooling Off Period'

If, having examined this PDS and the schedule of cover you decide the insurance does not meet your needs, you can cancel the insurance within 14 days from the date you receive the schedule of cover and this PDS and we will refund the premium provided you have not taken a trip to which the insurance applies, and you have not made a claim or exercised any other rights under the policy.

Cancelling your policy after the 'Cooling Off Period'

If **you** cancel after this 14 day period, provided that **you** have not made a claim or exercised any other right under this policy, **we** will refund **you** a proportion of the premium for the outstanding period of cover less any government charges and taxes that **we** cannot recover.

Conditions

Duty to take reasonable care not to make a misrepresentation.

Under the Insurance Contracts Act 1984 (Cth) (Act), **you** have a duty to take reasonable care not to make a misrepresentation to **us**.

This duty applies whenever **you** enter into, renew, extend or vary this contract of insurance.

In all cases, **we** will ask **you** questions that are relevant to **our** decision to insure **you** and on what terms.

It is important that **you** understand **you** are answering **our** questions in this way for **yourself** and anyone else that **you** want to be covered by the contract.

When **you** answer the questions **you** must give a true and accurate account of matters. **Your** response should tell **us** everything that **you** know about the question because **your** response is relevant to whether **we** offer **you** insurance and the terms **we** offer **you**.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a

misrepresentation.

Whether or not **you** took reasonable care not to make a misrepresentation will be determined with regard to all the relevant circumstances.

If **we** know, or ought to know about **your** particular characteristics or circumstances, **we** will consider these to determine if **you** took reasonable care not to make a misrepresentation to **us**.

We may consider the following matters to determine if **you** took reasonable care not to make a misrepresentation to **us**:

- the type of insurance contract in question, and its target market;
- explanatory material or publicity produced or authorised by **us**;
- how clear, and how specific, the questions **we** asked were;
- how clearly **we** communicated to **you** the importance of answering those questions and the possible consequences of failing to do so;
- whether or not an agent/insurance broker was acting for **you**, or
- whether the contract was a new contract or was being renewed, extended, varied or reinstated.
- **You** are not to be taken to have made a misrepresentation merely because **you**:
 - failed to answer a question, or
 - gave an obviously incomplete or irrelevant answer to a question.

If **you** do not take reasonable care when answering **our** questions and the result is **you** do make a misrepresentation to **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to take reasonable care not to make a misrepresentation to **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Once cover has been arranged **you** must immediately notify **us** of any changes to the information that has previously been provided. If **you** are declaring on behalf of another person **you** must ensure **you** are fully aware of their medical history.

We are bound by the General Insurance Code of Practice. This aims to raise the standards of practice and service in the insurance industry, improve the way claims and complaints are handled and help people better understand how general insurance works.

Privacy Consent and Disclosure

The policy applies to all persons named on the schedule of cover who are eligible to be insured and for whom the premium has been paid. Contract of Insurance

Contract of Insurance

This PDS explains the terms and conditions of the cover that **we** will provide in return for **your** premium during the period of cover. The **schedule of cover** and this Part B, which together form the contract of insurance, and is based upon the information that **you** provided during **your** application. In the event of a conflict between Part A and Part B, the terms and conditions in Part B will be determinative.

For Single Trip Insurance

This policy is not valid for trips exceeding 12 months. Winter sports trips are covered if the required additional premium has been paid.

For Annual Insurance

For travellers up to the age of 70 years, the maximum trip duration of any one trip is 45 days. For those aged 70 years and over, the maximum trip duration of any one trip is 31 days.

If you have chosen an Annual Multi-trip Insurance, the Outward and Return Journey must take place during the start and end date shown on the schedule of cover. Winter sports are limited to 17 days per policy year, provided that the appropriate additional premium has been paid.

Excesses

If **your** claim is paid, an excess is deducted from any payment **we** make to **you**. The amount of any excess is detailed on the Summary of Cover pages 6 and 7, and under the Sections to which an excess applies. Claims under most Sections of the policy will be subject to an excess, which applies to each insured person involved in an incident, as do the sums insured under each Section.

If **you** pay an extra premium, **your** policy can include an excess waiver which will remove all excesses.

Excess waiver must be selected at time of purchase and cannot be applied retrospectively.

- 2) Been a registered in or out-patient in the last two years?
- 3) Been placed on a waiting list currently for investigations or treatment?
- 4) Been diagnosed by a doctor or consultant as suffering from a terminal illness?

To avoid confusion, we want to highlight what we will, and will not, cover with regard to claims for ill-health.

Pre-existing medical conditions

We will cover you for claims associated with those pre-existing medical conditions or disabilities you disclosed to us and we accepted in writing.

We will not cover you for claims associated with pre-existing medical conditions that you did not disclose to us and we did not accept in writing. You must tell us about **ALL** medical conditions for which you answer yes under 1 – 4 above.

If the doctor will not confirm this, **your** claim is not covered. In the event of a claim the doctor must complete the medical certificate on the claim form.
