

**SH-G6922**

Optimized Grip Mechanics

Dual-angle handles allow pronated and supinated grips, targeting multiple back muscle groups with precision.

Precision Fit Adjustment

4-position chest pad, 7-position thigh roller, and 13-position seat height ensure biomechanical alignment for all users.

Unilateral Stability Control

Front assist handles provide balanced support for single-arm training, integrated with easy-access chest pad adjustment.

Pro-Grade Plate Storage

4 weight horns with a total capacity of 400kg, streamlining weight changes for uninterrupted strength sessions.
