

TRICEPS PRESS

SH-G8826

Adjustable Grip Position: Personalize Your Workout

With two levels of adjustable handgrip widths, users can easily modify the setup to suit their body type, maximizing training efficiency and comfort for diverse workout needs.

Effortless Seat Adjustment: Ultimate Comfort at Your Fingertips

Featuring a pneumatic spring mechanism, the adjustable seat height ensures a comfortable and secure fit for every user. The PU foam seat is designed for support and ergonomic comfort.

TRICEPS PRESS

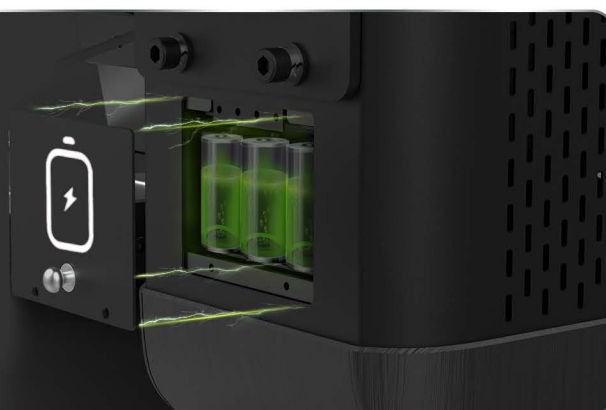

Premium Craftsmanship & Sleek Design: Where Innovation Meets Aesthetics

With groundbreaking laser engraving technology and a 30-step polishing process, 88 Series equipment achieves a refined, high-end finish. Featuring two stylish color options—Black Titanium with brushed silver accents or matte black—the sleek design elevates the ambiance and positioning of your gym, blending toughness with sophistication.

Ultimate Flexibility: Wireless Freedom in Placement

The upgraded battery-powered version of the 88 Series eliminates the need for electrical outlets, providing unmatched flexibility in placement and adjustment. This innovation allows for effortless space planning and easy reconfiguration, offering freedom to design your gym exactly how you envision it.
