## REFERENCES

## SUMMARY

Hello there! I'm Prakash Shrestha, a passionate web developer with a year of hands-on experience in the dynamic world of React. My journey in the realm of web development has been nothing short of exhilarating, and I've had the privilege of immersing myself in the intricacies of creating seamless and responsive user interfaces.

## EDUCATION

### Bachelor in Business Studies

Dhulikhel Campus / Dhulikhel / July, 2016 - May, 2022

## WORK EXPERIENCE

### Freelancer - Fronted Developer / Mobile developer

Enfra Soft / kathmandu / May, 2024 - Present

### React Developer

Gamma Techno pvt.ltd / kathmandu / April, 2022 - February, 2024

Gamma Techno pvt ltd is a remotely operated software company. i joined a year ago as a intern but later i stated working as react developer there, where i learnt redux, props, states, components HOC components, hooks and more over, understand of git github like push pull PR create, etc and many more.

## TRAINING/CERTIFICATIONS

### MERN stack development.

Deer walk Training center, sifal-kathmandu , 2021

## PROJECTS INVOLVED

### Lumiar-Board(miro clone)

Lumiar-Board is a real-time collaboration web app crafted with Next.js 14 and TypeScript. It dances with Convex for real-time database magic, rocks Clerk for authentication vibes, and syncs users in the same room using the groovy Liveblox.

Dive into the code galaxy on GitHub:[prakashraz12/Miro-clone](https://github.com/prakashraz12/Miro-clone) ([github.com](https://github.com))

<https://miro-clone-rosy.vercel.app/>

### News Portal-Mern Stack

Developed a news portal web application using Next.js for frontend rendering, Express for backend API services, and MongoDB for data storage. The application features responsive interfaces, secure authentication, and efficient data management, showcasing proficiency in full-stack development.
