

Volunteers Needed for Music Video!

Hello! Thank you for taking a moment to fill out this form. Please read the details below and if you are interested and available, please fill out the information below so we can get in contact with you.

Date: Sunday March 17th

Time: Exact time is to be determined, however it will be for about 8 hours during the day on Sunday.

Location: DTLA, exact address to come

What to expect: The premise of this music video revolves around the band performing an intimate underground show for a dedicated group of fans. In the realm of filmmaking, there's often a fair amount of downtime, with periods of waiting for your moment in front of the camera. To ensure your comfort during these breaks, please bring along items to keep yourself entertained and comfortable.

Additionally, it's important to note that your attire will become wet, as we aim to depict the audience as being immersed in the energy of the performance - aka, sweaty. As such, please come prepared with items to enhance your comfort while navigating the wet conditions, such as dry clothing to change into after the filming is concluded. We will reach out with a follow up email that has the type of clothing you should wear.

Please note that this is a volunteer position.
