

Multi Foam Cleaning Spray

Features:

Foam Cleaner Spray is intensely acting cleaning foam, which dissolves deeply penetrated dirt, due to its balanced combination of cleaning and care components.

- Easy to use
- Dissolves even dried dirt
- Eliminates nicotine covers
- Excellent depth effect
- Removes insect remains

Application areas:

- For cleaning car upholstery and carpets, headliners stringing and soiled fabric.
- Cleans windshields, glass and painted surfaces.
- Well suited to remove insect debris on glass and painted surfaces.

Usage:

Shake the can intensively before use. Apply Schaumreiniger Spray to the soiled area. Immediately after application the product forms a stable foam. Leave the foam on the treated surface for some time to start to effect. Clean the treated surface after disintegration of the foam structure with a cloth or a sponge. When heavy dirt and if the surface will not be fully cleaned please repeat the cleaning process.

Special instructions:

Schaumreiniger Spray contains combustible constituents. Use only in well-ventilated areas. Keep away from sources of ignition. In the consumption of multiple cans in one place there is a danger of formation of explosive gas-air mixtures. Do not smoke, eat or drink during spraying.
