

Profi Leather Clean & Maintenance Wipes

TECHNICAL DATA SHEET

Product: Profi Leather Clean & Maintenance Wipes

Description:

Profi Leather Clean & Maintenance Wipes are 72 multitex dust-free tear resistant viscose cleaning wipes made of 70 % viscose and 30 % Polyester with a strong textile character. With a tear-resistant and hard-wearing active surface structure, soaked in a cleaning fluid for refreshing leather and imitation leather. After a simple application, the product gives the material a silky matt shine and suppleness. It refreshes the color of the leather. Special care components protect the leather. The product is suitable for cleaning and care of all leather surfaces, e.g. vehicles, leather furniture, etc. Profi Leather Clean & Maintenance Wipes provide lasting protection and leave a pleasant smell. In addition, it is solvent-free, water-based and pH neutral. The wipes are packaged in a handy, resealable bucket.

Application:

Profi Leather Clean & Maintenance Wipes have been specially developed for cleaning and care of all types of leather that have a surface finish, for seats, furniture, leather clothing but also for plastic. Do not use the product on suede or rough leather, these will be discolored.

Instruction for use :

Pull the wipe *Profi Leather Clean & Maintenance Wipes* out of the bucket and tear them off at the perforation. Remove dirt by gently rubbing and polish to a high gloss. In case of heavy dirt, repeat the procedure.

Ecology :

The product and the detergent raw materials used meet the legal requirements in relation to the detergents regulation and thus biodegradability.
