

# THE HOST

Hosted by Professional Partiers bartending services, we're working to build a golf tournament focused on having fun and raising money for a pretty rad charity - just because we think that's kinda cool. ;)

# THE CHARITY

The North Texas Warrior Golf Association is a federally-recognized, 501(c)(3) public charity incorporated in the state of Texas. Their mission is to provide rehabilitative golfing experiences for injured service members residing in North Texas or recovering from their injuries in one of our area's VA facilities.

LET'S HAVE SOME FUN

## A NOTE FROM YOUR HOST

Hello and thank you for your interest in becoming a Swing Your Wood event sponsor! We are beyond excited to get this party started and hope to make year three a memorable one!

Our mission is simple; to raise money and to have fun.

This year's goal is to get more people and businesses involved and to increase participation from sponsors.

To do so, we offer a variety of sponsorship opportunities, hoping to include everyone and anyone wanting to participate and help sponsor our tournament. It truly is a group effort, and we're building something kinda cool - and we think you should join us!

# A NOTE FROM NTWGA

Our mission at North Texas Warrior Golf Association is to provide rehabilitative golfing experiences for injured service members residing in North Texas.

Since our founding, we have hosted over 80 wounded veterans in our annual golf clinics. We provided these heroes with golf instruction, equipment, apparel, and playing opportunities – all to provide rehabilitative and recreational therapy to these soldiers.

We maintain contact with our clinic participants and other North Texas wounded veterans, providing these soldiers with playing opportunities and other activities throughout the year, including family recreational events.

We now have nearly 70 soldiers registered members.
