

THE HOST

Hosted by Professional Partiers bartending services, we're working to build a golf tournament focused on having fun and raising money for a pretty rad charity - just because we think that's kinda cool. ;)

THE CHARITY

The North Texas Warrior Golf Association is a federally-recognized, 501(c)(3) public charity incorporated in the state of Texas. Their mission is to provide rehabilitative golfing experiences for injured service members residing in North Texas or recovering from their injuries in one of our area's VA facilities.
