A SIMPLE, STRESS-FREE PROCESS FROM INITIAL INQUIRY TO GRAND EXIT!

I prioritize communication, connection, and clear expectations throughout the process. You'll know exactly what to expect each step of the way, freeing you up to focus on the most important moments of your big day instead of the logistics.

I will outline a few zoom/phone calls along our journey but I am available anytime if you need to chat!

THE PROCESS

let's break it down

Step 1: Zoom/Phone Call Meeting

After reading through this guide, the next step is to book a zoom consultation with me to discuss your needs, get to know each other, and chat about the details of your elopement package.

Step 2: Make Things Official

If we're a good fit and you'd like to move forward, I'll send you a proposal with a contract and invoice to make our partnership official. Once you submit it, your date is secured on my calendar and you can breathe a sigh of relief knowing you just found the perfect elopement package and personal hype girl!

Step 3: Plan + Prepare

During the weeks and months leading up to your wedding, I'll act as a personal guide, offering vendor recommendations, tips and tricks, and more. I will send you an elopement questionnaire to fill out and from there I will design a preliminary timeline that we will finalize during our timeline/details meeting 30 days out from your elopement day.

Step 4: Week of zoom/phone call

Step 5: The one where they get married

The big day has finally arrived. It's going to be great! Thanks to all the planning and prep we've done, you can simply relax and enjoy each moment while I create the magic.

Step 6: Digital Gallery Delivery

I'll send your highlight gallery within 24 hours of your wedding, then your full gallery will be delivered 4-6 weeks later.
