Outdoor Add-Ons

Clear Tent

Our clear tent is great to add-on if you're set on an outdoor ceremony or reception but there's a forecast of rain. We even love this tent when there's no rain in sight due to all of the possibilities with styling & decorating it!

20x40. Can fit 66 people under with tables, or 80 ceremony, or 100 standing/seated ceremony.

Cost: \$1,750

Dance Floor

Do you envision dancing the night away under the trees and stars on your wedding day? Then we highly recommend adding the dance floor! Set-up behind the barn & makes for beautiful first dance photos.

Cost: \$750

Fire Pit Area

Typically the fire pit lives in the woods up the hill & looks down on the barn from above, but we're able to move the fire pit down closer to the barn if you prefer.

Cost: \$400

Added Details

All options are included in the 'And Then Some' package

Greenery in the Rafters

In the warmer months, we trim branches from our sister property Oakleaf Hollow to tuck into the rafters of the barn. In cold months (November through April) we have Smilax vine to twine above.

Cost: \$600

Draping

Our new sheer drapes can line the center aisle of the barn -- making it feel more intimate for smaller events, or for softening the feeling of the barn posts (left open).

Cost: \$400

Colored Indoor Uplighting

We now have eight color-changing uplights you can place inside the barn! Great for dance time, can also combine them with the draping for intimate weddings or for unexpected glowy color.

Cost: \$400

Woven Lanterns

We have 12 in total & they're on a dimmer. Lots of options for styling! Hang them in the clear tent... outside...let's dream! Will need a consultation and a lighting plan for installation.

Cost: \$400

A close-up photograph of a white ceramic plate with a thin gold rim, centered on a tablecloth with a blue floral pattern. To the left of the plate, two silver forks are stacked. Above the plate, a blue glass and a gold glass are partially visible. A white napkin is tucked under the left side of the plate. The text "Our Plateware" is overlaid in the center of the plate in a white, sans-serif font with a subtle drop shadow.
