

Creative

You are innovative and imaginative

Whether it's in the arts, business, or any other avenue in life, you like to approach things from new angles and aren't afraid to mix things up. Your style is eclectic, unexpected, and varied, and you enjoy experimenting with colors, patterns, and cuts of clothing. You dress to reflect your mood and originality.

WHO YOU ARE

The Creative style personality is unconventional and experimental. You are inventive and like to think outside the box.

STYLE PRIORITIES

You prioritize an eclectic wardrobe in which you try new styles. You like to dress in a manner that reflects your mood and independent spirit.

WARDROBE AESTHETIC

Your overall look is experimental, and you aren't tied to any fashion "rules." You like finding new designers and shops and reinventing your style.

Design: unstructured to structured, varied, layered, artistic, experimental

Fabrics: vintage or vintage-inspired fabrics, textured, coarse woolens, cotton, suede

Colors: black, chocolate brown, mustard, deep orange, eggplant, burgundy

Patterns: eclectic and varied, tapestry, ikat, graffiti, tie dye—anything goes

WARDROBE STAPLES
