Included Vendors | We work exclusively with our trusted, Pash & Dash-certified supplier teams to ensure a seamless and stress-free experience. External suppliers are not permitted for any part of the package.

Venue Site Viewing | If you'd like to view the venue, we kindly ask that you contact the venue directly to arrange a site visit, as we do not have access to their day-to-day calendars.

Child Friendly | Yes, this is a child-friendly venue. Children must be supervised at all times, as many venues have open unfenced area, and water features such as pools, fountains and dams.

Pet Friendly | Many of our venues are pet-friendly, while some have specific restrictions or requirements. Please contact us directly—we'll guide you to the best pet-friendly venue options.

Exciting Optional Extras | Upgrades are available on select elements such as photography, videography, hair & makeup, and accommodation (venue-dependent). Request a personalised proposal.

Package Durations | Package durations are set by the venue and cannot be extended—couples and guests must adhere to the scheduled timeframe.

Vehicle Access/Parking | Standard size vehicles are welcome, and onsite parking is available. Stretch limousines, hummers, and large buses are not suitable due to access and turning space.

Bathrooms/ Wheelchair Access | Yes these facilities are available onsite.

Rain on the day | No stress! All venues have wet weather options, these vary by location. Our team will ensure a smooth plan if the weather shifts.

Florals | Around 4–6 weeks out, your florist will request 1–2 inspo images to create your bouquet and buttonhole with fresh, seasonal blooms.

Confetti / Petals | Only fresh rose petals are allowed for throws — no confetti, dried florals or glitter (including biodegradable). Cleanup fees will apply.

Food Inclusions | Only venues with food specifically listed as included—or offered as an approved add-on—are permitted to serve food on-site. BYO food or external catering is not permitted.

Alcohol | For all licensed venues, no alcohol may be brought onto the premises.

Personal Touches | We recommend keeping any 'personal ceremony touches' simple and easy to place. Nominate a guest to set these up on arrival. Styling items or furniture are not permitted.

Legal Requirements | In Australia, it's a legal requirement to complete and submit the Notice of Intended Marriage (NOIM) form at least 31 days before your ceremony. The good news is that once you're booked in, your celebrant will guide you through the process and handle the lodgement with Births, Deaths & Marriages on your behalf. Pash & Dash is happy to arrange legal witnesses for you if you need.
