NATIONAL LEVEL YOUTH HACKATHON – 6 HOURS

PROBLEM STATEMENT :

- **AI-Enabled Community Preventive Healthcare & AYUSH Wellness Platform :**

Develop an innovative solution that promotes preventive healthcare by integrating AYUSH practices with AI and digital technologies to provide personalized wellness guidance and improve access to AYUSH services.

- **AI-Based National Skill Matching and MSME Workforce Platform :**

Build a smart platform that connects skilled youth with MSMEs, startups, and employment opportunities through AI-driven skill assessment, verification, and personalized upskilling.

- **Smart Community Sports Infrastructure and Athlete Development Ecosystem :**

Create a technology-driven solution to enhance sports infrastructure management, identify grassroots talent, and promote youth fitness through AI, IoT, and digital engagement.

EVENT OVERVIEW :

Reporting Time :

- Participants must report to the venue **on or before 8:30 AM.**

Evaluation Process :

Evaluation 1 – PPT Evaluation

- Teams will present their idea through a PowerPoint presentation.
