📄 PROFESSIONAL SUMMARY

Front-End Developer with 7+ years of experience building modern, responsive web applications using React.js, Next.js, and Shopify. Adept at delivering high-quality UI/UX, optimizing performance, and solving complex frontend challenges. Recognized for creativity, problem-solving, and a passion for continuous learning.

📁 WORK EXPERIENCE

Saffron Corporation Ltd,

10/2023 – Continue

Frontend Developer (React.js/Next.js) & UI/UX Designer

- Developed a React-based e-commerce platform and designed the front-end interface for Titas Software, ensuring optimal functionality and performance. Additionally, built the Saffron portfolio website with a focus on innovation, responsiveness, and creative design.
- I also design and enhance the UI/UX for both the Saffron e-commerce platform and portfolio website, ensuring intuitive navigation and visually captivating user interfaces.

Coder71 Ltd, Shopify Developer

11/2022 – 08/2023

- I honed my skills at a company, crafting exceptional Shopify experiences by meticulously customizing themes with the intricate blend of Liquid code, JavaScript, JQuery HTML, and CSS. I also work on react.js project bug fixing.

Fiverr, Front-End Developer

01/2018 – 04/2023

- Delivered over 100+ successful projects for international clients, resolving 200+ JavaScript-related issues.
- Specialized in converting static designs into fully responsive websites using HTML, CSS, JS, jQuery and Bootstrap.
- Delivered 10+ mobile-first React.js projects, enhancing performance and SEO.
