Ngorongoro Crater

Today you'll visit Ngorongoro Crater, one of the most beautiful natural sights in Africa, a place where you'll experience otherworldly beauty with extraordinary wildlife. Watch as, from above, morning mist rolls up and over the crater rim, and notice how the steep walls suggest a place unlike any other. Down below on the crater floor, explore a lost world preserved in a state of pristine isolation, one that shelters lions and hyenas, elephants and black rhinos, flamingos and golden jackals. There are also forests, hippo-filled lakes, a salt pan and hyena dens, and you'll never lose the sense that you've stumbled into a safari theme park where everything's wild.

After your safari, we'll transfer you to the airport for a direct flight back to Zanzibar, where you'll be transferred and dropped off right at your hotel doorstep. Thank you for traveling with us, and enjoy the rest of your beach vacation!
