

CBSE EXAMINATION PAPER-2022

ECONOMICS

(Solved)

Time allowed : 3 hours

Maximum Marks : 44

General Instructions :

Read the following instructions carefully and follow them :

- i. This question paper contains **17 questions**. All questions are **compulsory**.
- ii. This question paper is divided into **4 sections**.
- iii. **Section A** – questions number **1 to 1** are case based questions
- iv. **Section B** – questions number **2 to 9** are short answer type i
- v. **Section C** – questions number **10 to 15** are short answer type ii
- vi. **Section D** – questions number **16 to 17** are long answer
- vii. There is no overall choice given in the question paper. However, an internal choice has been provided in few questions.
- viii. Use of calculator is NOT allowed.

Section A

Question 1.

CASE STUDY

Read the following text carefully and answer question given below:

The centre's PM Gati Shakti Scheme will give much needed push to infrastructure development and logistic across India. This scheme will drive the economic growth by giving boost to industries such as steel and cement.

Greater connectivity is expected to improve economic opportunities for small farmers and small and medium enterprises through new roads, cargo terminals etc.

The Gati Shakti Scheme features at the centre stage of Budget 2022-23, highlighting the importance of quality multi-modal transport in achieving overall cost competitiveness.

Under Gati Shakti Scheme, the railways will develop new products and services targeted at small farmers and businesses to help them become a part of layer supply chain.
