[3 Marks]

Question 25.

'Chaman Pharmaceuticals Ltd.' is a company providing medicines all over the country. After establishing itself and making a name in the field of medicines, it decided to enter into the field of medical devices, baby care products and nutritional supplements. Each product category had a different head accountable for profits, revenues and costs. In case of poor performance of their product, the heads were held responsible. But as the heads of different product categories were different, conflict could arise among different heads with reference to allocation of funds. Also providing a separate set of similar functional heads for each product category increased expenditure.

(i) Identify and explain the type of organisation structure 'Chaman Pharmaceuticals Ltd.' had followed after entering into the field of medical devices, baby care products and nutritional supplements.

(ii) Also state any one advantage and any one disadvantage of the organizational structure discussed in the above para by quoting lines.

[3 Marks]

Question 26.

'Refresh Zone' was a popular coffee house chain offering premium coffee and snacks in a cozy environment. However, over time, the company began to face challenges in maintaining its market position. Customers had started complaining about lack of variety failing to cater to evolving consumer preferences. Also the price of coffee in 'Refresh Zone' was significantly higher than its competitors. Many consumers felt that the quality of coffee was not justifying its premium pricing.

Identify and explain two components of marketing mix that the management of 'Refresh Zone' needs to work on.

[3 Marks]

Section C

Question 27.

'Global Foods Ltd.', a multinational company in the food processing industry, has a good customer base. Recently it has expanded into new international markets. But due to increased awareness for health care,

there is a shift in consumer demand for healthier food options. For this reason, the company needs to adapt to frequent technological advancements in production processes so that healthy food product options can be made available in the market. Additionally, the company is concerned about fluctuations at global level in commodity prices, exchange rates and political conditions. 'Global Foods Ltd.' is finding it increasingly difficult to predict future outcomes due to the constantly changing nature

of the market. In order to effectively cope up with these significant changes, managers have to understand and examine the environment to develop suitable courses of action. By continuously monitoring the environment and adopting suitable business practices, the company will not only improve its present performance but also continue with it for a long period in achieving its objectives.

Identify and explain two features and two points of importance of business environment discussed in the above para.

[4 Marks]

Question 28.

Kapila is working at 'Cresa Engineering Solutions', an engineering consultancy firm. Despite being frequently enticed by many competitive companies offering her a higher pay package, Kapila chooses to stay with 'Cresa Engineering Solutions'. She enjoys her work as her job is designed with greater variety of work content requiring higher level of knowledge and skill and provides the opportunity for personal growth. The company has appropriate skill development programmes and a sound promotion policy due to which Kapila has been getting promotions year after year. Not only this, Kapila's work is being appreciated by the management from time to time. She always gives valuable suggestions and is being rewarded for that also. Over and above, the company implements measures to ensure stability of the employees in the organisation. All these factors motivate Kapila to continue to work in 'Cresa Engineering Solutions'.

Identify and explain the four non-financial incentives discussed in the above case.

[4 Marks]

Question 29.

Explain the following features of Coordination :

(i) Preliminary screening

(ii) Selection tests

(iii) Job offer

[6 Marks]

Question 40.

'Marut Enterprises' is a large company manufacturing washing machines. From the last few months, employees have been reporting dissatisfaction with the overall work environment which has led to a decline in productivity. The management realized that there is no coordination between various departments. On one hand, the Production Manager is giving instructions to the workers to speed up the work to achieve the targets whereas on the other hand, the Sales Manager is also giving instructions to the workers of the production department to slow down the production as sales are not picking up. It was also observed by the company's management that there is a lack of proper communication among different levels of superiors and subordinates. Even in case of emergencies, a worker is not in a position to contact the Chief Executive Officer directly, which is affecting the productivity and the morale of the workforce. The management felt a need to foster a positive environment which may promote team spirit of unity and harmony among the employees.

Identify and explain the three principles of management given by Henri Fayol which can help in addressing the challenges faced by the company.
