

# CBSE EXAMINATION PAPER-2022

## ECONOMICS

(Solved)

Time allowed : 3 hours

Maximum Marks : 49

### General Instructions :

Read the following instructions carefully and follow them :

- i. This question paper contains **18 questions**. All questions are **compulsory**.
- ii. This question paper is divided into **4 sections**.
- iii. **Section A** – questions number **1 to 1** are case based questions
- iv. **Section B** – questions number **2 to 9** are short answer type i
- v. **Section C** – questions number **10 to 15** are short answer type ii
- vi. **Section D** – questions number **16 to 18** are long answer
- vii. There is no overall choice given in the question paper. However, an internal choice has been provided in few questions.
- viii. Use of calculator is NOT allowed.

## Section A

### Question 1.

Read the following text carefully. Answer questions on the basis of the given text and common understanding :

Year 2020 began with the once-in-a-century pandemic, which saw the frontline workers working tirelessly to save human lives from COVID-19. The pandemic caused its ripples on the economy and on social sectors. Governments, at all levels, intervened in a timely manner to respond to the pandemic.

India has one of the lowest case fatalities rates of less than 1.5%. India has been able to save lakhs of lives through its effective policy responses. Public spending on social sector was increased in 2020-21 to mitigate the hardships caused by the pandemic and the loss to livelihood due to the lockdown.

The lockdown period saw the growth of the 'gig economy' and increasing 'work from home' in the organised sector. As per the Periodic Labour Force Survey (PLFS) report 2018-19, there was an increase in workforce totalling 48-78 crores in 2018-19 as compared to 47-14 crores during 2017-18. Out of 1-64 crores increased workforce, 1-22 crores were in rural sector and 0-42 crores in urban sector.

The female labour force participation rate increased from 17.5% in 2017-18 to 18.6% in 2018-19. Provident Fund Organisation (EPFO) as on 20th December, 2020 shows a net increase of new subscribers of 78.58 lakhs in 2019-20 as compared to 61.1 lakhs in 2018-19. The PLFS report also showed improvement in 2020-21 (Quarter 4) when compared to 2019-20 (Quarter 4).

Considering the proportion of the male workforce, casual labour decreased by 1% points, while self-employed and salaried workers increased by 0.6% points and 0.4% points respectively. Similarly, in case of female workforce, self-employed increased by 2% points, regular/wage salaried workers decreased by 0.7% points and casual labour decreased by 1.4% points.

(1)

State and discuss any two initiatives taken by the Government to control the adverse impacts of the pandemic.

[3 Marks]
