**Subject: Free consultation on saving energy, want to participate?**

Dear resident(s),

We know that many Haarlemmers are affected by the high energy prices. Therefore, the municipality of Haarlem wants to get started with homeowners in your neighbourhood with energy saving options. Duurzaam Bouwloket is the Energy Desk of the municipality of Haarlem. Residents can go here for independent advice on making their home energy efficient and sustainable. Together with Duurzaam Bouwloket, the municipality organizes free consultations for the homeowners of Molenwijk about how you can save energy and therefore money in your home. Advice is possible both at home and by telephone and by walk-in consultations in the Open Koffie Huis.

What can you expect from us during the consultation?

- Independent advice on what you can do to save energy
- Tips when entering into an energy contracts
- Subsidy opportunities and financial arrangements that are there to accommodate you

**Walk-in consultations**

You can make an appointment for a free walk-in consultation via:

[www.duurzaambouwloket.nl/energiebesparing-molenwijk](http://www.duurzaambouwloket.nl/energiebesparing-molenwijk)

You can make an appointment for the following dates, times and location:

**When:** Wednesday 18 January, 22 February, 15 March, 19 April, 24 May and 21 June. The walk-in consultations are from 12:00 to 16:00.

**Where:** Open Koffie Huis, Frieslandlaan 1, 2036 NE Haarlem

**Consultation and step-by-step plan**

The municipality also offers the possibility to receive a free consultation by telephone or at home. During a consultation at home, the independent consultant immediately carries out a measurement of the insulation in your home. The advice clarifies what you can do to improve the insulation of your home. Afterwards you will receive a summary of the conversation and a step-by-step plan. The step-

by-step plan contains an overview of the measures you can take to save energy in your home. Attention is paid to the measures that provide the most benefit for your living situation. This advice is completely non-binding and there are no costs involved.

**More information**

Would you like to know more about this approach and make an appointment for a consultation?

Then go to [www.duurzaambouwloket.nl/energiebesparing-molenwijk](http://www.duurzaambouwloket.nl/energiebesparing-molenwijk)

You can also get here by scanning the QR code with the camera of a smartphone.
