**PEARL CLEAGE'S "BLUES FOR AN ALABAMA SKY"
OPENS APRIL 13 AND CONTINUES THROUGH MAY 8
AT CENTER THEATRE GROUP / MARK TAPER FORUM**

The revival of Pearl Cleage's rich and beautiful work "**Blues for an Alabama Sky**" opens Wednesday, April 13, 2022, at 8 p.m. at Center Theatre Group / Mark Taper Forum and continues through May 8. Directed by Center Theatre Group's Associate Artist and Tony Award-winning actor **Phylicia Rashad**, this production features **Joe Holt, Nija Okoro, Dennis Pearson, Greg Alvarez Reid** and **Kim Steele**.

The setting is 1930s Harlem. Angel is a free-spirited Cotton Club singer who's out of luck but never out of dreams. Guy is a costume designer waiting for Josephine Baker to invite him to join her in Paris. Delia, a young activist, is trying to give the women of Harlem a choice about their future. Sam, a prominent physician, is either delivering babies or out at the club letting the good times roll. And Leland, who recently arrived in Harlem from Alabama, is haunted by the wide-open skies and lost love he left behind. The lives and dreams of these men and women converge with passion and politics as the art and celebration of the Harlem Renaissance give way to the harsh realities of the Great Depression.

The creative team includes **John Iacovelli** (scenic design), **Wendell C. Carmichael** (costume, wig and hair design), **Elizabeth Harper** (lighting design) and **Jeff Gardner** (sound design), with original composition by **Dontae Winslow**. Casting is by **Kim Coleman, CSA** and **Michelle Blair** is the production stage manager.

Unvaccinated guests, including children or those with a medical or religious reason, must provide proof of a negative PCR COVID-19 test taken no more than 48 hours prior to attendance, or a negative rapid antigen test taken no more than 24 hours prior. All tests must be administered by a professional. At-home tests will not be accepted.

Center Theatre Group will continue working closely with The Music Center and L.A. County officials to ensure they are following all applicable health and safety protocols.
