ECONOMIC OVERVIEW OF OMAN

STRATEGIC LOCATION

Oman is strategically located on the south-eastern coast of the Arabian Peninsula, serving as a gateway between Asia, Africa, and the Middle East. Its capital, Muscat, just 75 minutes by flight from Dubai, plays a crucial role in regional trade and commerce. Oman's access to key shipping routes positions it well for economic growth and international collaboration.

GDP GROWTH

As of 2023, Oman's GDP was 193 billion USD, with an estimated increase in growth rate of 2.6% from 2024 to 2029. The diversification strategy, Vision 2040, aims to reduce oil dependency and increase the contribution of non-oil sectors to the GDP.

INVESTMENT CLIMATE

The government has been actively encouraging foreign investment through various incentives and relaxed regulations. The establishment of free zones and special economic zones, such as Duqm, provides attractive opportunities for investors.
