Sunbrella fabrics are characterised by their excellent breathability. This means they dry quickly outdoors and prevent the formation of mould.

Versatile, they are available in a range of colours to match the different textile parts of your boat.

Les tissus Sunbrella se caractérisent par une excellente respirabilité. Cela permet un séchage rapide en extérieur et empêche la formation de moisissures. Polyvalents, ils sont proposés dans une palette de couleurs permettant d'assortir les différentes parties textiles de votre bateau.

The excellent performance of Sunbrella fibres is due to the use of innovative and durable materials that are especially resistant to UV, fading, stretching, mildew and water. Sunbrella offers the best warranties in the industry and has been the trusted choice of the world's best-known boatyards and boaters for over 60 years.

L'excellente performance des fibres Sunbrella est due à l'utilisation de matériaux innovants et durables, particulièrement résistants aux UV, à la décoloration, à l'allongement, à la moisissure et à l'eau. Sunbrella offre les meilleures garanties du secteur et est le choix de confiance des plaisanciers et des chantiers navals les plus connus et les plus réputés du monde entier depuis plus de 60 ans.

The values of this product may vary depending on a tolerance variation of +/- 5%. We recommend that you do not mix different batches as there might be a slight variation in colour between two productions.

Les valeurs de ce produit peuvent varier selon une tolérance de +/- 5%. Nous vous recommandons de ne pas mélanger différents lots car il peut y avoir une légère variation de couleur entre deux productions.
