GLOBAL GAMES DEVELOPMENT FUND OPEN CALL FOR APPLICATIONS – OCTOBER 2019

Guidelines for Applicants

1. Introduction

Applications are sought from Clubs, Regional/Divisional Boards and Governing Board for funding under the Global Games Development Fund. This call for proposals is being issued by the Gaelic Athletic Association (GAA) in conjunction with the Irish Department of Foreign Affairs & Trade.

In recognition of the fact that tremendous growth has occurred in recent years in the GAA's International Units it has been agreed to distribute funding to Games Development projects in these areas. The Department of Foreign Affairs & Trade through its Emigrant Support Programme (ESP) is partnering with the GAA on this project in recognition of the importance of the GAA in fostering closer links between Irish communities and networks abroad with Ireland.

The Fund provides financial support specifically for projects and initiatives that increase or improve opportunities for the Irish Diaspora and other communities abroad to play Gaelic Games. Through the provision of financial assistance, it is the aim of the Fund to support the Irish Diaspora and to strengthen Irish networks and Irish identity internationally.

2. Objectives and Priorities

The main objective of the Global Games Development Fund is the provision of meaningful, developmental, games opportunities, which in turn supports Irish communities and fosters a more vibrant sense of Irish identity
