GAA County Substance Use Policy

1. Aims and Objectives

The aim of this policy is to ensure that all GAA members are kept safe from substance-related harm when involved in county activities.

Our objectives are:

- To promote the health and wellbeing of all County players.
- To develop a consistent approach to drug-related issues to be adopted by all County players.
- To develop procedures and protocols that address drug-related issues in the County.
- To establish clear procedures for managing specific incidents of suspected drug misuse.
- To provide onward referral to specialist services for members presenting with substance related issues.

2. Scope & Limitations

Cumann Lúthchleas Gael is committed to discouraging the use of drugs and tobacco and the misuse of alcohol on the basis that such activity is incompatible with a healthy approach to sporting activity. It understands that such behaviours can have detrimental social and health consequences on the individuals involved, and on those to whom they are connected.

INSERT COUNTY HERE believe that we need to work towards creating a safe, healthy County environment where we can develop the skills and attitudes necessary to enjoy our health to the fullest.

All county players, officials, coaches and volunteers as part of this county shall follow the law when it comes to illegal substances, tobacco and alcohol and shall display leadership and good example, particularly when dealing with underage members. This policy applies to all members as well as all users of the County’s buildings and grounds.

For practical purposes this policy has been kept as succinct as possible. It has been developed from a template provided by the GAA’s Community & Health department (see www.gaa.ie/community for more information on the topic of substance use). Representatives of the Regional Drug & Alcohol Task Forces in the ROI and the Drug & Alcohol Community Teams (DACTs) in NI were consulted in the development of this policy, and contact details for the local agency is found at the back end of this policy.

The points below offer guidance to the county in handling incidents involving illicit drugs both during county activities and relating to members in a wider societal context.

7.1 The use of illicit drugs is viewed as unacceptable by **INSERT COUNTY HERE** and may be dealt with by way of warnings, suspensions and expulsions as deemed appropriate by decision of the County Executive, on a case by case basis, with proportionality considered. It is also unacceptable for members or officials to present themselves for county duties while under the influence of a drug. (Suspension, if issued, will mean that the member involved cannot represent the county in any way during their term of suspension.) Considerations may be made for incidents involving members that occur outside official county activities of events.

7.2 In a case where a county becomes aware that a member has been charged with the illegal supply of drugs the County Executive will ask this individual to stand aside from county activities until the matter has been dealt with in the court of law, notwithstanding the individual’s right of a presumption of innocence until proven guilty. (Where it is known that a county member is being charged with the illegal supply of drugs the matter must be brought to the attention the Community & Health Department in Croke Park, who can give guidance on the appropriate response on a case by case basis.)

7.3 Members of the County Executive should arrange to meet with those involved in an incident with which this policy is concerned. Details recorded in critical incident forms should be discussed and appropriate support should be offered to those involved. The same members of the executive should also consider a separate meeting with the county member who has negatively impacted the county in relation to drug, alcohol or tobacco use. Consideration should be given to the health and wellbeing of the person, with signposting to appropriate drug, alcohol and psychological supports. (See contacts at end of policy). It should be made clear to all parties involved that media requests should be handled by Croke Park Head Quarters.

8. **Appeal and Review process**

The County Chairperson shall nominate a person to inform parents/guardians in each case.

9.4 Garda Síochána/PSNI Involvement

If they refuse, the Garda Síochána/PSNI may be called in to conduct a search.

10.1 Disposing of suspected illegal substances
If a suspected illegal substance is found on county property it should be brought to the attention of the County Chairperson.
