WHAT IS LÁ NA gCLUBANNA

“The vision of the GAA is that everybody has the opportunity to be welcomed to take part in our games and culture, to participate fully, to grow and develop and to be inspired to keep a lifelong engagement with our Association.”

Every member of the GAA should mark this special day of celebration by participating at events in their Club ... the real driver and engine of the GAA.

Lá na gClubanna is about celebrating GAA people, our GAA Clubs and our Communities.

WHO SHOULD YOU INVITE

Members, past members and players, supporters, schools friends, local & cross community and businesses can all be invited to attend.

COMMUNICATING THE DAY

The Club needs to be seen as 'active, alive, positive and progressive' in the local community. The GAA Club must present a positive image of itself in the community, particularly to the youth of the area. This image must be one of efficiency, activity, enjoyment and community spirit.

It helps people to be aware that the Club is a place where they can meet new friends and socialise together. This is particularly important in areas where new people are moving in to the locality because they will see the Club as a place where they can fit in to the community and make new friends.

EXAMPLE OF MARKETING CHANNELS

- Banners (outside the club)
- Posters (in the locality and schools)
- Flyers (to all schools, outside supermarkets, etc.)
- Press releases (in the local newspaper/radio station to advertise the event)
- E-mail template to all current club members.
- Club Website
- Social Media templates (*Facebook, Twitter, etc.)
- Church Newsletter
- Word of Mouth – can all members be made responsible to invite certain people to the event e.g. ex-players, families in the locality, players etc.
- Have current sponsors been invited to the Open Day in order to see their product or have they been asked to contribute?

**All GAA members are encouraged to take part in social media but the Association expects each individual to follow the Social Media Policies & guidelines – available on the GAA website.*

LÁ NA gCLUBANNA ACTIVITIES

The most important thing about Lá na gClubanna is that it is fun and enjoyable to all. The activities you choose to use to create this fun and enjoyable atmosphere and experience could vary depending on the objectives of the day.

- Meet and greet to all arrivals. Official welcome by a member of the club/team e.g. club chairperson/secretary, team manager/captain.
- Information stations giving out information packs about the club

SPORTS DAY

Each Club could organise internal blitz competitions for all age groups. Sports and fun activities for children and small sided games are very important. Blitzes should involve all Gaelic Games and be organised in a fun and fair manner.

An example of some activities that can be organised:

- Póc Fada Competition
- Rounders, played with mixed teams
- Recreational games between Club members on a town-land basis or a competition between neighbouring Clubs.
- Athletics competition, e.g. laps of the pitch

CULTURAL, HERITAGE AND ENTERTAINMENT ACTIVITIES

Cultural and Heritage Activities are a vital part of Lá na gClubanna and could usefully include:

- Introduction to Gaelic Games through a basic, fun training session outlining some of the things that they can expect to learn. The session should involve lots of fun games with plenty of movement
- Scór Entertainment in the Club House throughout the day
- Scór Concert at night
- Quiz / Trath na gCeist
- Memories Book: everyone signs it and writes their thoughts of the day in it
- Video diary for members to come and leave a message
- Power point display of old club photos running constantly in the Club House
- DVDs running throughout the day of Club/County games
- 'A talking room' where older members of the Club can retell their stories and have a bit of craic with the younger Club members
- Tree planting to mark Lá na gClubanna
- Honour members of the Club who have won competitions and/or played for their County or other representative teams
- Unsung Hero Award
- Entertainment/DJ/Music playlist
- Food e.g. BBQ, Pizza's.
- Balloons, Clowns, etc.

**Please note that all activities for children must be supervised in line with the Gaelic Games Code of Behaviour.*

This will include adequately trained personnel to oversee the events, plus the necessary female/male ratio to children required.

VOLUNTEERS

Lá na gClubanna is a great way to bring people from the community to the club, particularly those who are new to the area.

An open day full of activity will let people see that the club is well organised and well managed. It can also be of great way to encourage people to volunteer in the club.

Club/Community members should be asked to volunteer

in specific areas in the club and in an area that suits their particular skill-sets.

Many clubs have been successful in attracting volunteers through Lá na gClubanna.

For more information on volunteering visit the GAA website.

BUDGET AND FUNDRAISING OPPORTUNITIES

Once you have decided on a fundraising event idea you need to work out a budget for your event – remember any cost incurred needs comes out of the total amount that is raised.

Common costs to consider are:

- **Printing & design i.e. tickets, posters**
- **Catering**
- **Entertainment**
- **Hire of venue**
- **First Aid**
- **Advertising**
- **Insurance**

On the day/evening itself there is the opportunity to hold additional raffles/draws – club sponsors and local business may be happy to assist with prizes.

Raffles have always been a popular way to raise funds. They can be a stand-alone event, or often they are held at other events as an additional way to raise money. Stand-alone raffles are commonly referred to as public raffles and they give you the opportunity to sell a larger number of tickets.

You must obtain a permit – in the 26 Counties this can be sourced from the Gardai, in the 6 Counties from your local Council. There are restrictions on the number of permits that can be issued to a unit in any one year.

When deciding on what price you are going to charge for the tickets, remember to take into account any costs that need to be covered (for example if any of the prizes need to be paid for, printing) and it can help if people can buy multiple tickets (i.e. 5 for €10/€10).

Remember to promote the event well in advance to maximise attendance and ticket sales. Allow plenty time for the groundwork so the day/evening is a great success.

Other Fundraising Ideas:

- **Sponsored Activities – for example Walk, Run, Colour Run, Cycle, Dance, must be notified in advance to GAA Risk & Insurance Manager or Willis**
- **Sale of Work or Auction**
- **Cake, book, flower/plant stalls**
- **Trivia Nights, Table Quizzes, etc.**

APPENDIX 3 – FUN AND RUN

ABOUT THE GAME

GAA Fun & Run is a team-based game that can be played by people of all ages, genders and abilities. Fun & Run is designed to facilitate the population of people with physical or intellectual special needs. The game encompasses a range of fundamental skills that exist in Gaelic football, Hurling, Rounders and Handball but the Rules have been modified to adapt these skills to suit the individual involved. One by one, players on the striking team – using hurley, foot or hand – strike the ball off an adjustable tee holder into a designated fielding area. Each player on the striking team attempts to complete one full rotation of all 12 bases (1 Fun Run). Meanwhile all players on the fielding team must play the ball before returning the ball into a bin and preventing the Fun Run. The team with the most ‘Fun Runs’ wins.

STRIKING TEAM PITCH SET-UP:

- Place the bases (mats) on the ground in a circular shape approximately 10 metres in radius

- Striking player may complete Fun Run while the next ball is in play
- Once the striking player has completed Fun Run position themselves at a base
- One Fun Run = 1 point

- Player turns score board each time they pass home base (keep score)
- 1 Fun & Run point awarded to striking team if all exercises are completed at base
- Each player gets three attempts to strike the ball
- If the ball is not hit on the third strike – player attempts to complete one Fun Run*
