

OFFICIAL GAA CHARITY
2019 APPLICATION FORM

2019 APPLICATION FORM

As the country's leading 32-county sporting/community organisation, each year the GAA receives a large volume of requests to work in partnership with charities and other worthy causes.

To maximise our potential as a supporting partner, the Association now selects each year five official charities. Each chosen charity receives a €20,000 donation. In recent years, the work of the official GAA charities has also been highlighted on national match days such as the GAA's annual health-themed All Ireland semi-final in Croke Park in August.

Any good partnership depends on shared understanding, values, and goals. This official GAA charity application form is designed to assist us in better understanding why a charity is seeking to partner with the Association and what values and goals we share. It also seeks to ascertain basic information about how a partnership might benefit the charity's target audience and the GAA membership, while also offering an opportunity to highlight how you see the Association supporting your activities, and vice versa.

Shortlisted candidates will be asked to provide the GAA with a copy of their audited accounts from the previous year. Successful charities are announced in the weeks following GAA Annual Congress, which is usually held the last weekend of February each year.

Please return your completed application form to teresa.rehill@gaa.ie no later than close of business on December 12th, 2018.
