

## Information for Club Registrars and Administrators

This is the registration site for the new national GAA Membership Card and **grma** rewards programme. GAA Club Members are asked to register for the programme to receive their official GAA Membership Card. The **grma** programme is a 'thank you' or 'go raibh maith agat' to GAA Members and supporters.

The rewards programme will be available from January providing discounts, special offers and the opportunity to earn points for going to games. Points can be redeemed by individual members or pooled for redemption by GAA clubs. Further details on earning points and redeeming rewards will be available in January.

Members need their GAA membership number to register. Posters and membership number leaflets (sample shown) were delivered to all county board offices for distribution to clubs. Please use these leaflets to provide Membership Numbers to existing members when they renew their subscription for 2017. If you have not received this collateral, please contact your county board. See the **Membership Numbers** section below for further details on providing members with their membership numbers.

Membership Cards will only be distributed to members who have signed up to **grma** online. To comply with data protection legislation, GAA Members must self-register on this site for the programme – we cannot bulk register members from the GAA Games Management System (Servasport). The programme is not mandatory but will ensure fully subscribed GAA Club Members receive a Membership Card and have the opportunity to earn points on the **grma** programme. The programme does not facilitate payment of Club membership registration fees online. There is no cost to join the **grma** programme.

The **grma** registration site is being launched in November to facilitate the Club Membership renewal process taking place between November and March. Only fully subscribed Club Members will receive a GAA Membership Card. Cards will be distributed through GAA Clubs from January 2017 and card distribution will continue until the end of March when Club Membership closes.

The programme is only available to GAA Members who are over 18.

## MEMBERSHIP NUMBERS

A full list of all of your members, and their membership number, can be obtained from the GAA Games Management System (Servasport) by logging onto <https://people.gaa.ie>.

- Select the **Reports Tab** on the left hand side of the screen (see Image 1 below)
- Select the **All-Members** Report at the bottom of the page (see Image 2)

New Club Members will not have a GAA membership number until the club has registered them on the GAA Games Management system. The club should provide them with their Membership Number once this registration step has been completed.

Members who register online, with their valid GAA membership number, will receive their Membership Cards from January. Membership Cards will only be distributed to members who have signed up online.
