

Log into your Season Ticket Account and select 'Bring-a-Friend' from the top-bar menu.

Then select the product you would like to purchase additional tickets for:

A new screen will appear advising you of the number of the fixture, the number of tickets available to you to purchase under 'Bring-a-Friend' and the cut-off date for purchase. 'Bring-a-Friend' tickets are generally not in the main Season Ticket sections as those sections are designated for those with a Season Ticket and not those who know someone with a Season Ticket.

One thing to note if you are a member of a Seating Group, once you purchase a 'Bring-a-Friend' ticket you will not be seated with your Seating Group.

Once you have selected the number of additional tickets you wish to purchase, you can either select an existing payment card or use a new one.
