

Fondation GPO

2024/2025 Review & 2026 Ambitions

2015

Creation of the Orapi Corporate Foundation

Founding mission: Promoting hygiene best practices among young people.

2024

Creation of the GPO Foundation (June)

Expanded Scope: Healthcare philanthropy, social action, hygiene education, and environmental initiatives.

2026

Renewal of the GPO Foundation Through 2030

Our Focus Areas

HEALTHCARE

- Supporting initiatives that improve medical conditions
- Enhancing patient well-being
- Supporting patients and their families
- Providing assistance to healthcare professionals

EDUCATION

- Supporting preventive hygiene initiatives
- Raising awareness of best hygiene practices from an early age
- Contributing to long-term improvements in public health and well-being

SOCIAL ACTION

- Supporting projects for vulnerable and underprivileged populations
- Supporting initiatives to combat exclusion and social insecurity
- Promoting social inclusion
- Supporting educational success
- Contributing to professional integration and access to employment

ENVIRONMENT

- Supporting hygiene-related primary prevention initiatives
- Raising awareness of best hygiene practices from an early age
- Contributing to sustainable improvements in public health and well-being

How We Take Action

FUNDING

- Supporting targeted projects aligned with our philanthropic objectives.

FIELD ENGAGEMENT

- Participation in symposiums, conferences, and exhibitions
- Information, awareness, and educational campaigns
- Presence at events organized by supported or prospective project leaders

2024/2025 Actions

A look back at the GPO Foundation's initiatives

Printemps de Pérouges

- **Objective:** Partnership with VIP caregivers (with the support of Saint-Vulbas local authorities)
- **Role:** Financial support (€16 per VIP bracelet) for a festival concert

Bois de la Part-Dieu

- **Objective:** Creation of an urban forest / place of respite
- **Role:** Major donor
- **Impact:** Site frequented by 170,000 people per year, near GPO headquarters

Fondation HCL – Hôpital Pierre Wertheimer (Bron)

- **Objective:** Rehabilitation of a waiting room in the neurosurgery unit
- **Role:** Supporting a project led by healthcare staff via the HCL Foundation
- Annual participation in the HCL Foundation Gala Dinner

Centre Léon Bérard – Recherche & soignants

- **Objective:** Fighting cancer (care & research)
- **Role:** Financial donations over 3 years
- 600 people supported (150 researchers, 23 teams)
- **Participation in 2 charity galas** supporting advanced research

Employee Engagement Call for Projects

- **Objective:** Financial support for employee-led initiatives and volunteering
- **Role:** Strengthening solidarity engagement among 1,200 GPO employees in France

2026 Ambitions

Support

AP-HP Foundation (Paris)

- **Objective:** Access to non-reimbursed essential equipment for vulnerable patients
- **Role:**
 - 3-year commitment
 - Hygiene kits prepared by PAREMO Solidaires
 - Deployment across 23 AP-HP sites

Develop & Support

Clubhouse Lyon

- **Objective:** Raise awareness among GPO employees about mental health
- **Role:** Partnership established as part of the "2025 and 2026 Years of Mental Health" national initiative
- **Actions:**
 - Agreement signed in December 2025
 - Financial contribution combined with on-site sessions at GPO headquarters and the Genas site to help destigmatize mental health, identify early warning signs, and provide guidance on how to respond

Sustain

Centre Léon Bérard

Funding a dedicated rest room for caregivers, prioritizing hematology departments.

Develop & Support

New Partnerships

Exploring new partnerships or supporting new projects in 2027 in healthcare, social action, and mental health

Sustain

Hospices Civils de Lyon

Inauguration of a meeting room in the neurosurgery department at Wertheimer Hospital (Bron)

A Word from the President

Since its creation, the GPO Foundation has been driven by a clear ambition:

To support concrete initiatives that improve health, strengthen solidarity, and protect the environment.

By developing strong partnerships and supporting high-impact projects, the Foundation aims to contribute to building a more inclusive, sustainable future.

GPO Foundation — Turning Commitment into Concrete Action

Erika THUILLEUR, March 2026
