TECHNICAL SKILLS

BACKEND DEVELOPMENT

- Java
- OOP
- Spring Boot
- Spring Security
- Spring MVC
- Spring Data JPA
- Spring Cloud
- RESTful API
- JWT
- OAuth2
- Microservices

DATABASE MANAGEMENT

- SQL
- Microsoft SQL Server
- PostgreSQL
- MySQL
- Redis
- Liquibase

DEVOPS & TOOLS

- Docker
- Git
- GitHub
- Postman
- Swagger
- Maven
- Gradle

FRONTEND DEVELOPMENT

- HTML5
- CSS3
- Tailwind CSS
- JavaScript
- TypeScript
- React.js
- Next.js

LANGUAGES

Azerbaijani Native
English B2 (Upper-Intermediate)

SUMMARY

Java Backend Developer with strong foundation in Core Java, Spring Boot, RESTful API development and microservices.

EXPERIENCE

Book Store

Jan 2026 – Feb 2026

Java Backend Developer

- Participated in developing a microservices-based system using API Gateway and Service Discovery for service communication.
- Worked with Spring Security and JWT to implement authentication, authorization and user management features.
- Integrated MySQL with Spring Data JPA and assisted in managing database schema changes using Liquibase.
- Used Docker to containerize the application and documented APIs using Swagger/OpenAPI.

Personal Website - [elgunzamanov.com](#)

May 2025 – Aug 2025

Full-Stack Developer

- Developed a personal web platform using Java/Spring Boot for the backend and Next.js for the frontend.
- Built an admin dashboard with Role-Based Access Control (RBAC) to manage blogs, projects, and coding challenges.
- Designed and implemented RESTful APIs following basic clean code and modular design principles.
- Worked with authentication mechanisms including JWT and session-based security.

Career Break

Jul 2023 – Jul 2024

Mandatory Military Service

- Completed mandatory military service with strong discipline and responsibility
- Developed teamwork and problem-solving skills in high-pressure environments

EDUCATION

Master of IT and Management - Information Systems

Sep 2021 – Jun 2023

Azerbaijan State Oil and Industry University

Bachelor of Business Administration - System Engineering

Sep 2017 – Jun 2021

Azerbaijan State Oil and Industry University

CERTIFICATIONS

Spring Security 6 Zero to Master along with JWT, OAUTH2

May 2025 – Jun 2025

Udemy

Master Spring 6, Spring Boot 3, REST, JPA, Hibernate

Jan 2025 – Mar 2025

Udemy

Java Standard Edition (OCA)

Sep 2024 – Mar 2025

Ingress Academy
