Step 1

Before proceeding:

- Check your inbox: Look for an email from **prosupportna@radius.com** with additional account creation information.
- Validate your account: Follow the instructions in the email to validate your account information.

Step 2

The image to the right shows the nine most common locations of a vehicle's On-Board Diagnostic (OBD) port. Locate your vehicle's port and plug in your Kinesis Pro Stratus device.

If using an adapter cable, locate the proper port and install accordingly.
