

GMA BUSINESS ALLIANCE PROGRAM **DIRECTORY**

The support provided by GMA's Business Alliance Program participants helps strengthen Georgia's cities as they share a commitment of positively impacting a variety of critical issues in local government across Georgia. The Business Alliance Program allows GMA's 537 municipal member cities to gain additional resources and information to assist in the operation of their cities and provide the best services to their residents and businesses.

DISCLAIMER

Participation in the Business Alliance Program does not convey or imply GMA endorsement of firm or company or any of firm's or company's products or services nor is firm or company permitted to convey or imply any endorsement by or partnership with GMA.
