

Dwell Christian Community Servant Covenant

Revised 3/24

- **GROWTH:** I am committed to ongoing spiritual growth under God's grace through consistent involvement in prayer, Bible-reading, and fellowship. I will strive to exemplify the character of a deacon (1 Tim. 3:8-12). I will continue as a regular, fully-engaged member of a Dwell Christian Community home church, Central teaching, and discipleship group (e.g., cell group).
- **UNITY:** I am committed to preserve unity in our church. I will work in cooperation with the elders and support the direction they set. I will attend Servant Team gatherings. I will exhort other team members to keep the commitments in this covenant. I will resign my role if I am morally disqualified or cannot in good conscience comply any longer with this covenant.
- **TRUTH:** I am committed to the essential teachings of the Bible and fully affirm our statement of faith. I will complete all required coursework, including completing at least one 5-week class every two years. I will be a life-long learner of God's truth.
- **SERVICE:** I am committed to the fulfillment of the great commission: both through sharing my faith and discipling others (Matthew 28:18-20). I will continue to love serve by loving my brothers and sisters as Jesus loves me, using my spiritual gifts, and helping younger Christians mature. I am also committed to a life of generous financial stewardship, including membership in the Fiscal Support Team. I would be willing to lead a home church if asked.

**I realize that signing this covenant will not make me a member of the Servant-Team. Membership in that team requires additional commitments. **As a member of the Servant Team, I understand I will need to review and re servant covenant every three years. -commit to this*
