****BANWARI AROMAS PRIVATE LIMITED (BAPL)****

Established in 1995, BAPL stands as a Government Recognized Star Export House, specializing in the export of Essential Oils, Aroma Chemicals, Incense Sticks, and Holy Products. Our journey began with a vision to revolutionize the essential oils supply chain, particularly in the realm of mint products, contributing to the global market. Soon, we forayed into the Incense market establishing a complete manufacturing facility and a robust distribution as 'Prabhu Priya'.

Vision

"At Prabhu Priya, our vision is to redefine the global landscape of Incense Sticks and Pooja Products by infusing traditional expertise with innovative practices. We aim to be the beacon of quality, serving communities worldwide with reverence and authenticity."

From 2010 onward, we have diligently worked towards delivering the finest quality of products such as Agarbatti, Hawan Samagri, Cones, and Dhoop. This diversification has been fueled by unwavering persistence, endurance, and a dedication to stringent product innovation and manufacturing practices, with a steadfast commitment to offering the best quality to our customers.

Our foray into the allied business of Dhoop and Agarbatti reached new heights when we became the preferred suppliers for Patanjali Ayurveda Limited, Haridwar, a partnership that we proudly sustain to this day.

Rigorous quality checks at every stage, from material inwards to processes and finished goods, have been a cornerstone of our commitment to consistent quality. Our certifications for Good Manufacturing Practices **GMP Certified, ISO 14001:2004 and 9001 :2015** further bolster our claim to quality assurance.

In our relentless pursuit of evolution, we have introduced a comprehensive range of Pooja products, encompassing Agarbatti, Dhoop, Cones, Hawan Samagri, Aroma Oils, Herbal Face Pack, Herbal Ubtan, Herbal Mehndi, and Rose/Kewda/Tulsi water – a complete bouquet catering to all requirements for religious rituals.

As Aristotle said, "We are what we repeatedly do. Excellence, then, is not an act but a habit." In line with this philosophy, our journey toward excellence is marked by an unwavering commitment to constant improvement. We have introduced a wide range of Agarbatti, Hawan Samagri, Dhoop, Incense Cones, Aroma Oils, and more, with the journey continuing to unfold. At BAPL, excellence is not just a destination; it is a perpetual journey.
