

## SENSATIONAL BODY BLISS 80 MIN

### FOOT BATH

This is an excellent way to draw blood from inflamed or congested areas of the body. Natural bath salts can help enhance the effects of your massage as well.

### THALASSOTHERAPY DEAD SEA MUD MASK

Dead Sea Mud is famous for its detoxifying and therapeutic effects. This ancient mud is rich in magnesium, calcium, potassium, and iron. It is unlike any other clay in the world. Using 100% Dead Sea Mud on your back helps improve psoriasis, soothe chronic back pain and treats acne.

### OIL TREATMENT

We use Aroma Oil to sooth your body with a flowing rhythmic touch, leading to deep relaxation. Great treatment after skiing, snowboarding, golf, tennis and any other sport activities.

## SENSATIONAL HARMONY 150 MIN

### FOOT BATH

This is an excellent way to draw blood from inflamed or congested areas of the body. Natural bath salts can help enhance the effects of your massage as well.

### HOT STONE

Hot stone massage therapy melts away tension, eases muscle stiffness and increase circulation and metabolism. The premise behind hot stone massage therapy is that the direct heat of the stones relaxes muscles, allowing the therapist access to their deeper muscle layers. It also expands blood flow throughout the body, have a sedative effect that can relieve chronic pain, improve irregular periods, reduce stress and promote deep relaxation.

### YOUTHFUL V FACIAL

More than just a beauty treatment, this facial is purported to manipulate the shape, size or structure of your face using a combination of osteopathic and aesthetic techniques. To move waste fluids away from the damaged area with anti-aging gel, shoulder-neck and lymphatic massage, which uses a gentle pressure, can help. The best ways to keep your face healthy and glowing on and off the slopes.
