CHICAGO -- MARCH 23, 2026 -- Innovation Arts & Entertainment today announced **A Conversation With Jill Biden**, a live book tour celebrating Dr. Jill Biden's new release, *VIEW FROM THE EAST WING*. The tour launches June 9 in Philadelphia, with additional stops scheduled in Chicago, Ann Arbor, and Boston. Audiences will have their chance to hear directly from one of the most distinctive voices of a defining era in American history. The presale waitlist opens today at www.JillBidenOnTour.com for early access to tickets starting March 30. Public on sale begins Friday, April 3.

In [**VIEW FROM THE EAST WING**](#), Dr. Biden tells her story in her own words - the story of an ordinary woman living an extraordinary life, and what it truly means to serve as wife, mother, grandmother, teacher, and First Lady all at once. In this onstage program, she offers a candid, behind-the-scenes look at life in the East Wing - from grading papers in the Rose Garden to traveling aboard Air Force One, from weekends at Camp David to the unforgettable moment her husband's reelection bid came to an unexpected end.

Drawing on her years at the center of American politics, Dr. Biden shares hard-won lessons in leading with purpose, navigating crisis with grace, and staying grounded in your values when the stakes couldn't be higher - insights that resonate far beyond the White House, and long after the conversation ends.

The 2026 tour schedule includes:

Tuesday, June 9	Philadelphia, PA	Miller Theater
Monday, June 15	Chicago, IL	Athenaeum Center for Thought & Culture
Tuesday, June 16	Ann Arbor, MI	Michigan Theater
Wednesday, June 17	Boston, MA	Shubert Theatre
