FOR IMMEDIATE RELEASE (February 3, 2025) – Ensemble Arts Philly, in association with Outback Presents, welcomes featured guest comedians from the *Kill Tony* podcast in ***Killers of Kill Tony***, at the Miller Theater on March 1, 2025, at 7:00 p.m. and 9:30 p.m. Attendees can expect comedy sets from Ari Matti, David Lucas, Hans Kim, and Martin Phillips.

Kill Tony is a comedy podcast and live show hosted by Tony Hinchcliffe and Brian Redban.

Building upon the success and energy of the original podcast, *Killers of Kill Tony* showcases the diverse talent pool of comedians who have graced the stage of *Kill Tony* with their wit, humor, and unique comedic styles.

“*Killers of Kill Tony* is a unique blend of established and rising comedians, bringing the hilarity and unpredictability of the podcast to a live audience,” said Frances Egler, Vice President of Theatrical Programming and Presentations. “This lineup of stand-up talents is part of a larger spring season of funny, joining names like Dusty Slay, David Nihill, Sarah Millican, Jimmy Carr, and many more.”

Hinchcliffe, known primarily for his roast comedy, has appeared in *All Def Digital Roast of Snoop Dogg* in 2016, *The Roast of Tom Brady* in 2024, and a one-hour stand-up special *One Shot* which premiered on Netflix in 2016. The podcast, *Kill Tony*, is a weekly live show recorded at The Comedy Store. During the show, Hinchcliffe and Redban, along with a changing panel of comedians and other celebrities, act as judges for amateur comedians. Each selected contestant gets to perform a one-minute comedy set followed by a discussion and critique by the panel of judges.

David Lucas is known for his regular appearances on *Kill Tony*, *Roast Me*, and for performing with comics like Joe Rogan, Louis CK, Bert Kreisher, and more.

Ari Matti has been enthralling audiences around the world with stories about life growing up in Eastern Europe. Matti recently returned from a year in Vancouver, Canada, where he worked as a feature act and eventually a headliner for Yuks Yuks and The Comedy Mix. He is a regular at Joe Rogan’s Comedy Mothership, as well as a recurring member of *Kill Tony*.

Hans Kim is a stand-up comedian known for his sharp wit and engaging stage presence, gaining attention through his appearances on popular podcasts and comedy shows. He has gained a following for his clever humor and relatable storytelling, often incorporating cultural and social observations into his performances.

Martin Phillips is a stand-up comedian primarily based in Washington, D.C. While in college, Phillips was named the funniest college student in D.C., and has performed at festivals, the LA Diversity in Comedy Festival, Cleveland Comedy Festival, and is a reoccurring member on the *Kill Tony* podcast.
