FOR IMMEDIATE RELEASE (March 6, 2025) – Ensemble Arts Philly is thrilled to present ***Pretty Guardian Sailor Moon: The Super Live***, the world-wide smash hit 2.5D musical sensation based on the wildly popular Manga (comic book), at the Miller Theater on April 22, 2025, at 8:00 p.m. With a mix of action, heartfelt moments, and iconic music, this production sees the manga characters brought to life on stage in an epic story-telling live show experience guaranteed to wow audiences, creating an unforgettable experience for fans and newcomers alike. *Pretty Guardian Sailor Moon: The Super Live* will be performed in Japanese with English subtitles.

With book, lyrics, and direction by Kaori Miura (*Musical: The Prince of Tennis, Tokyo Revengers The Musical*), choreography by Satomi Toma, and music by Go Sakabe and KYOHEI, the visually stunning show follows the stories of Usagi Tsukino, a teenage girl who transforms into the heroic Sailor Moon. Together, with her fellow Sailor Guardians, she battles many dark forces to protect the Earth from evil.

“This beloved story leaps from screen to stage with a female creative team and all-female cast,” said Frances Egler, Vice President of Theatrical Programming and Presentations. “We are thrilled to bring this to Philadelphia fans as part of a North American tour, united together to watch these ‘guardians’ save the planet once again.”

One of the most popular Mangas of all time, *Pretty Guardian Sailor Moon* is a global cultural phenomenon. It has been adapted as an anime and a live action tv series, which has aired in over 40 countries.
