FOR IMMEDIATE RELEASE (May18, 2026) – Ensemble Arts Philly presents the return of *The RESET – An Immersive Sound Experience with Davin Youngs* to the Perelman Theater inside the Kimmel Center for the Performing Arts on **Saturday, June 27, 2026, at 1:00 p.m.** This immersive take on a sound bath invites guests to bring yoga mats, pillows, and blankets, settle in, and experience an afternoon of deep rest and renewal.

At the intersection of wellness and music lies *The RESET*, an invitation to transcend the traditional concert experience and enter a space of profound transformation and healing. Created and performed by Davin Youngs, this immersive sound bath transforms iconic venues into sanctuaries of stillness and sound, elevating the mind, body, and spirit. Using

improvisational singing, looping devices, crystal-singing bowls, tuning forks, and electronic beats, Youngs masterfully weaves a sonic tapestry that reflects the unique beauty of the inner landscape. The result is a deeply moving experience that leaves participants feeling renewed, refreshed, and inspired. *The RESET* has been presented at iconic venues including The Kennedy Center, Chicago's Orchestra Hall, The Schermerhorn Symphony Center, and the Ace Hotel rooftop.

"Ensemble Arts Philly is committed to presenting bold and timely programming that sparks meaningful dialogue," said Frances Egler, Vice President of Theatrical Programming and Presentations. "Set in our versatile Perelman Theater inside the Kimmel Center, *The RESET* embodies a fearlessness of spirit, encouraging participants to embrace growth, resilience, and connection."

Davin Youngs is a celebrated singer and sound healing artist who believes in the transformational power of voice and sound. A featured teacher on the Insight Timer meditation app, Young's extensive library of meditations and sound experiences is streamed worldwide. He also hosts the highly rated *Free Your Voice, Free Your Life* podcast and works with influential singers, performers, and leaders to cultivate greater freedom, authenticity, and ease in their voice.

Inspired by Bobby McFerrin's circle songs, Youngs created VOXUS, an experience that brings professional and corporate groups quickly and playfully into spontaneous song. From Coca-Cola and WD-40 to Google and Chicago Public Schools, he is a leading voice in well-being, leadership, and professional development, delivering innovative keynotes and workshops to audiences ranging from corporate executives to community organizers and Presbyterian clergy.

Other featured upcoming performances include ***The Outsiders*** (May 26–June 7, 2026, Academy of Music); ***CLUE: A Walking Mystery*** (June 11–July 5, 2026, Starts and Ends inside the Kimmel Center); ***Airplane!
