"The performing arts are magical, but *Gazillion Bubble Show* truly brings jaw-dropping creativity and magic-filled moments to the stage," said Frances Egler, Vice President of Theatrical

Programming and Presentations. “These two back-to-back shows are heartwarming and innocent introductions to a theatrical space for our littlest arts lovers.”

The incredible bubble artists behind this phenomenal show are siblings, Deni and Melody Yang, who have been captivating audiences since their early years. Coming from a family of performers, their parents worked tirelessly to infuse their passion for performance with the blend of art, science, and entertainment that makes this show so special. The Yangs travel the globe, sharing their bubble science expertise with audiences young and old, transforming the art of bubble-making into an unforgettable display of pure joy and entertainment. This is the first and only interactive stage production of its kind, complete with fantastic light effects, lasers, and jaw-dropping masterpieces of bubble artistry. The *Gazillion Bubble Show* has appeared on *The Oprah Winfrey Show*, *The David Letterman Show*, *The Ellen DeGeneres Show*, *The Today Show*, *The Good Morning Show*, and more.
