FOR IMMEDIATE RELEASE (April 24, 2025) – Ensemble Arts Philly presents *NARUTO: The Symphonic Experience* – a live concert event that brings the beloved anime series to life through the power of orchestral music – at the Miller Theater on May 13 & May 14, 2025, at 7:00 p.m. This two-hour event features a film montage of iconic scenes from over 220 episodes, synchronized to a live orchestra performing Toshio Masuda's original score. Fans will relive Naruto Uzumaki's journey to become Hokage, facing rivalries, challenges, and growth along the way.

"We are excited to bring a new dimension of storytelling to Ensemble Arts' vast array of programming, delivering an exhilaratingly exclusive and transportive experience for Philadelphians," said Frances Egler, Vice President of Theatrical Programming and Presentations. "*Naruto: The Symphonic Experience* honors the incredible music and narrative of the manga, offering fans a concrete way to connect with this animated world."

The orchestra performs not only Masuda's unforgettable soundtrack but also the series' most famous openings and endings, inviting the audience to sing along with the music they love. This interactive element draws fans closer to *Naruto*, celebrating the powerful, shared bond the music creates.

This event is truly exclusive: the film and musical montage created for *NARUTO: The Symphonic Experience* can only be seen at these shows. Audiences will have a unique opportunity to sing, laugh, cheer, and feel the excitement of seeing their favorite characters on screen, experiencing the full range of emotions that *Naruto* inspires.

With Masuda's dynamic soundtrack, blending rock, pop, and traditional Japanese instruments like the Shakuhachi and Shamisen, the live music elevates each scene's impact, immersing the audience in *Naruto*'s story.
