**FOR IMMEDIATE RELEASE (September 13, 2023)** — The Kimmel Cultural Campus presents award winning actor, **Sir Patrick Stewart**, for the release and celebration of his new memoir ***Making It So*** at the Perelman Theater on October 3, 2023, at 7:00 p.m. The not-to-be-missed show includes an exclusive storytelling experience from Stewart himself. Each attendee will receive a copy of Stewart’s memoir.

From his acclaimed stage triumphs to his legendary onscreen work in the *Star Trek* and *X-Men* franchises, Sir Patrick Stewart has captivated audiences around the world and across multiple generations with his indelible command of stage and screen. Now, he presents his long-awaited memoir *Making It So*, a revealing portrait of an artist whose astonishing life—from his humble

beginnings in Yorkshire, England, to the heights of Hollywood and worldwide acclaim—proves a story as exuberant, definitive, and enduring as the author himself.

“Through heartfelt anecdotes and captivating storytelling, Stewart shares the wisdom, passion, and moments that shaped his illustrious career for one-night-only,” said Frances Egler, Vice President of Theatrical Programming & Presentations on the Kimmel Cultural Campus. “It’s a rare opportunity to witness the brilliance of a true legend of stage and screen, one we hope will leave audiences inspired and eager to make their own mark on the world.”

Throughout his career, Stewart’s legendary performances have garnered him three Olivier Awards, Emmy® and Tony® Award nominations, and a Grammy® Award, among countless other honors. Getting his start as a classically trained theater artist at England’s Royal Shakespeare company, Stewart kept this side of him alive throughout his entire career. From playing King Claudius in *Hamlet* to adapting *Charles Dickens’ A Christmas Carol* into a one-man play, Stewart never let his training go to waste. Aside from his career on the stage, he has made his name in voice acting, comedy, and as one of the longest running action Marvel superheroes.

Stewart is also known for his comedic appearances on the sitcom *Frasier* and *Extras*, for which he received a Primetime Emmy® Award Nomination for Outstanding Guest Actor in a Comedy Series. He currently voices CIA Deputy Director Avery Bullock on *American Dad!*.
