Wicked has been a staple in London’s West End for over 17 years with the magic still going strong...

When Dorothy famously triumphed over the Wicked Witch of the West, we only ever heard one side of the story. Gregory Maguire’s acclaimed 1995 novel – ‘Wicked: The Life and Times of the Wicked Witch of the West’, reimagined the Land of Oz, creating a parallel universe to the familiar story written by L. Frank Baum and first published as ‘The Wonderful Wizard of Oz’ in 1900.

“A brilliant production. It is magnificent to see a musical that manages to be populist and intelligent at the same time.”
